

We accept orders for a full line of Quality Fruit Trees. We receive our Fruit Trees from Adams County Nursery around the beginning of April. They come as 1/2 to 3/4 inch diameter trees that are bareroot and normally between 5 and 7 feet tall. We will call or email you when they arrive and you can pick up your trees here at Kauffman's when they come in. The trees are semi-dwarf and will grow to heights of 12 to 20 feet. To place an order, stop by our store or call us and we will gladly assist you in making the proper selections for your property.

Pricing:
